

Bios Ella de Jong

Ella de Jong (NL): teacher, writer, trainer, counsellor, Master Ecological Pedagogy

Ella is a primary school teacher (over 30 years) with much experience in non formal educational systems.

Ella wrote an e-Book "Solution Focused Mentoring. 5 Steps to bring out the best in your Mentee and yourself"(over 15.000 downloads). She has translated and complemented Paolo Terni's book about Solution Focused Stories and Classroom Activities. " in Dutch. She presented workshops at SF Conferences in Amsterdam and The Hague - NL, in Bad Soden - Germany, in Orlando and Denver - USA and also in Halifax - Canada.

Her creative SF training course has been accredited by several organizations. Self active work assignments next to humour and creative input: fruitful soil for deep level learning. It starts with knowing how to connect!
