

## **John Wheeler**

is a Systemic Psychotherapist who has worked in child mental health for over 30 years. John has delivered training in Solution Focused Practice to a wide range of practitioners since 1993 throughout the UK and abroad. John currently works full-time as a freelance Solution Focused practitioner, trainer and supervisor and is Managing Director of Solution Focused Trainers Ltd, which delivers accredited training in SF Practice throughout the UK. John is a member of the Board of EBTA, the Editorial Board of the Journal of Solution-Focused Brief Therapy and past President of IASTI. As EBTA Task Group Lead for International Cooperation John has been actively involved with encouraging EBTA Summer Camps and enjoyed the inspiring opportunity to participate in the first camp in 2016.
